Wolf Management installs *DELIVER Plus*; Replaces Maitre'D in its West Point, NE Pizza Hut.

West Point, Nebraska, December 5, 2006: Wolfe Management today replaced their existing Maitre'D point-of-sale system with a system from **DELIVER Plus**, one of the leading providers of POS systems specifically designed for Pizza Hut franchisees.

"The Maitre'D system just didn't work for us," explained Lana Wolf. "The system didn't handle our promo automatically, and did not work well in the kitchen or delivery. **DELIVER Plus** automatically calculates all of the different coupons and pairs pricing and we saw immediate results—I've found it much easier to use."

"We are excited that Wolf Management has chosen **DELIVER Plus** and we look forward to a long, prosperous relationship" said **DELIVER Plus** President Kevin Keegan. "**DELIVER Plus** has always been and we remain committed to providing the most cost-effective and powerful point-of-sale solution for our customers."
